

Clinical Waste Sacks

Opalion Plastics offer a full range of clinical waste sacks which are used by NHS Trusts and Hospitals, Private Medical Care facilities, Nursing Homes, Dental Practices as well as specialist waste collection companies. Our Yellow and Orange clinical waste sacks are all UN Certified and star sealed at the base of the sack – this ensures additional strength and protection against leakages. The standard UN Certified sizes that we hold in stock in both Yellow and Orange are as follows:

Size	Weight Classification
17" x 26"	5kg
22" x 25"	5kg
28" x 39"	5kg
28" x 39"	8kg
28" x 39"	10kg
28" x 39"	12kg

Yellow Clinical Waste Sacks
